- Approved to offer Title IV funding and Federal Student Aid to students who qualify

You're invited! Bring a friend!

Our quarterly event is here again! We invite you to come spend some time with our faculty, staff, and students for a wonderful evening of massage, refreshments, and inspiring demonstrations from some of our senior faculty.

This is an opportunity to explore IPSB's world of massage and bodywork. For over thirty years, we have used the finest educational methods to train Massage Therapists and Holistic Health Practitioners. IPSB's instructors have a passion for their craft that continues to inspire students. Experts in their areas of practice, they dedicate themselves to sharing the knowledge, skills, and awareness acquired through decades of training and application.

Learning about massage and holistic health means embarking on a new journey towards an exciting career within this ever-expanding field. Whichever direction you choose to take, this journey starts with IPSB's unique ***Essentials of Massage & Bodywork*** course. This 120-hour class introduces you to the fundamental principles of massage and self-care, tai chi movement, as well as providing you with a solid understanding of bodywork and healing.

Considering a career in massage therapy?

At IPSB, we want you to have a successful and rewarding career. Our programs exceed the state certifying requirements and so much more!

Program options are:

- Massage Therapy
- Holistic Health Practitioner
- Associate of Science in Holistic Health
